Dear Mr. Hernandez,

Re: Invitation to Send Observers

As you are undoubtedly aware, observations of Elections in Jamaica by international and local observers have contributed significantly to the country meeting international standards. We therefore intend to continue this practice for our next General Parliamentary elections constitutionally due in 2016.

The Electoral Commission of Jamaica is inviting your organization to send an Observer Team to observe the next General Parliamentary Elections to be held in Jamaica. While the next General Elections could be held as late as September 2016 constitutionally, the Honourable Prime Minister of Jamaica could call General Elections at any time. Hopefully, this invitation will allow you to set in motion the process for putting together any Observer Team to work along with our local observer group Citizens Action for Free and Fair Elections, CAFFE.

You will be notified of the date as soon as it is announced.

Yours faithfully,

The Honourable Mrs Dorothy Pine-McLarty OJ.
